## Cookies

Our website and application use cookies to distinguish you from other users of our website and TestRegister platform (“**Website**”). This helps us to provide you with a good experience when you use our Website and also allows us to improve our services.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

## Types of Cookies

We use the following cookies:

- Strictly necessary cookies. These are cookies that are required for the operation of our Website. They include, for example, cookies that enable you to log into secure areas of our Website.
- Analytical or performance cookies. These allow us to recognise and count the number of users and to see how users move around our Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are able to successfully navigate and use the Website.
- Functionality cookies. These are used to recognise you when you return to our Website.

## Controlling Cookies

We will ask for your consent to set the cookies described above. When you arrive on our website a banner appears asking for your consent to place cookies on your device. By continuing to use our Website or by clicking ‘OK’, we assume that you consent to cookies being placed on your device. If you do not agree please leave our Website immediately. Once your consent has been provided, this message will not appear again when you revisit. If you, or another user of your computer, wish to withdraw your consent at any time, you can do so by altering your browser settings.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all

cookies (including essential cookies) you may not be able to access all or parts of our Website.
